

Wealth Management Program

Trade, Sleep, Earn, Repeat.

The BITmarkets Wealth Management program offers a specialized VIP service tailored for holders of the BITmarkets Token (BTMT).

Grow your wealth with AI

This premier offering is designed for VIP clients aiming to enhance their crypto portfolio through sophisticated, AI-powered investment strategy that involves the trading of up to a hundred different cryptocurrency pairs using Bitcoin as the base currency to amplify earning potential.

To be eligible for this VIP program, clients must have an account with BITmarkets. The minimum investment threshold to join this program is **0.05 BTC plus an additional 10% on the investment held in BTMT tokens**. BTMT tokens available in the Spot Wallet will be used to suffice this criterion. The BTMT tokens will be locked up for a duration of one year. The BTMT tokens will be locked up for a duration of one year.

Example:

- ✓ Wealth Management Initial Investment: 0.1 BTC = 10,000 USD (when 1 BTC 100,000 USD)
- ✓ BTMT Balance: 1000 USD (10% of the total investment) worth of BTMT tokens should be in the client's spot wallet to enter the strategy.

Optimal program

Estimated ROI 43.47% APY

The Optimal program is designed for clients who seek a balance between stability and growth with the added potential of Bitcoin-based trading.

The ROI refers to the return on investment and is an approximate measure of an investment's profitability. Estimated ROI is based on historical and back-tested data for 1 year, including the trading fees. It is not a guarantee of future results.

The APY refers to the annual percentage yield and it measures the return on an investment over the course of a year.
